C 6. License validation

For pilots holding a license issued by a non-EASA country, we need declaration from the respective countries authorities that the pilot license is in accordance with ICAO Annex I.

Please see attached document: *Validation of Pilot license*

C 7. GNSS Loggers

According to the FAI Rules and Regulations - Precision Flying - 2014 Edition, the use of Flight Data Recording Equipment is mandatory. Only Equipment approved by GAC may be used. The current list of approved GNSS flight recorders is available on the FAI webpage. You will be asked to indicate the logger type on the Official Entry Form. Please make sure you have the software and hardware to download the GAC file available. If you have any questions concerning the use of loggers, please feel free to contact us.

C.8 Training Opportunity – Danish Precision Flying Championships

The Danish Precision Flying Championships 2015 will be held at Skive Airport June the 13th. You are welcome to attend this event and may have a good training opportunity at the same Airport used later for WPFC. Please e-mail to ndata@post3.tele.dk for further information.

C.9 Unofficial training 12th to 18th July

All services (refueling service, training routes, maps etc.) will be available from Sunday the 12th July. Shuttle bus or public transport is unfortunately not available, but we will be helpful with transport in private cars as much as possible.

There are some few possibilities for car-hire in Skive and nearby cities:

Skive: <http://www.one2movebiludlejning.dk/afdelinger/biludlejning-skive>

Viborg: <http://www.citybiludlejning.dk/biloversigt.html>

Karup Airport: <https://www.hertzdk.dk/rentacar/reservation>

The 2 first links above unfortunately only in Danish language, but let us know if you want help for car-hire reservation.
